MYLIFE BATHROOMS SHORES UP ITS POSITION AS IRELAND'S PREMIER BATHROOM BRAND OF CHOICE FOR INDEPENDENT RETAILERS WITH THREE NEW QUALITY ADDITIONS TO ITS PRODUCT RANGE...

Good things come in threes

MyLife Bathroom's elegant new Kaci and Nevi LED mirror ranges and easy-clean Mina shower doors are on trend and built to last; perfect examples of the company's insistence on top design and quality.

National Sales Manager for Ireland, Gavin McCrossan said, "As a company, we are always focusing on bringing the latest designs and trends to market, as well as listening to our customer feedback; our three new ranges are perfect examples of this."

The brushed brass-framed, Kaci LED Mirror is packed full of features. Turn the light on and off and control

brightness with just a wave of the hand, thanks to its multifunctional contactless sensor controls. It also comes with a heated demister pad. It is available in two sizes,

600 x 600 x 38mm and 800 x 800 x 38mm, to suit individual bathroom sizes. The black-framed Neve LED mirror (also available in the same sizes as the Kaci model), is bang up to date with the current trend towards black bathroom fittings. Complete with a black 'hanging' strap, the Neve combines the convenience of modern technology with a nod to an industrial heritage style. It shares all the cool

functions of the Kaci LED mirror. The new range of Mina Shower Doors stand tall at 1,900mm, glazed with 6mm easy clean MyShield Glass and with stainless steel double rollers with quick release design. The full range includes: Bi-Fold Door, Pivot Door, Sliding Door, 1 Door Quad, 2 Door Quad and Offset Quad. All MyLife shower doors, wet room panels and bath screens feature MyShield Easy Clean Glass. This helps to prevent the build up of lime scale, dirt and soap, allowing the glass to be easily cleaned.
